2021 Summer Pool Operations and Rules- Revised 05/29/2021

Pool Rules: All members and users of the pool must comply with the posted pool rules. Non-compliance with pool rules is subject to revocation of membership/daily user fee without refund. The pool is staffed with certified lifeguards at all times. The lifeguards on duty are in total control of the Benjamin Hill Pool and are responsible for the safe operation of the pool and the area.

A responsible adult must accompany all children 15 years and younger. All infants and toddlers must be in swim diapers. Parents are responsible for the supervision of their children.

Benjamin Hill Park and Pool is not responsible for lost or stolen items.

No alcohol is allowed on the Benjamin Hill Park property. Use or possession of alcohol will forfeit your membership/user fee. You may bring your own food and non-alcoholic drinks but remember to keep food and drinks off the pool deck area and to pick up all your trash.

BHP will have life jackets available for use.

BHP is 100% self-funded and uses no tax dollars. We appreciate your patronage and your cooperation and understanding of all our rules and regulations.

All patrons (members and users) must comply with any current Commonwealth of Massachusetts and CDC COVID-19 regulations including:

- Stay home if you are sick

Pool Check-In: All patrons (members and users) must sign in at the check in window with their names, number of persons and phone number. Members will be required to show their membership card. Daily users must pay the walk-in fee. BHP accept payment in cash or check only.

Pool Schedule: Pool is open Memorial Day to Labor Day. Until school gets out for the summer, the pool is open weekends only, subject to favorable weather. The pool is subject to close for weather events such as thunderstorms..

9:00AM to 12:00PM Swim Lessons

1:00PM to 6:45PM Open Swim for Members and Daily Users

Memberships: For summer 2021 we have not increased the membership fees. Memberships are approved in the order received, subject to eligibility and receipt of payment in full. Memberships may be limited in number to prevent overcrowding of the facilities. Membership must be paid in full before admittance to pool facilities will be allowed. Members will be provided with a family membership card that can be picked at the pool the first time your family swims. This card must be shown at daily sign in to gain entry to the pool facilities. Lost cards may be charged \$5 for replacement fee.

Memberships do not include swimming lessons or water aerobics. Only listed family members will be admitted. Additional non-listed family members and friends must pay daily use rates. A babysitter/nanny may be added to a membership with payment of an additional \$40 fee. Please indicate on the front of the form the information regarding the babysitter/nanny.

We strongly encourage you to mail in your membership form and check ASAP so we can produce your membership card and make the check in process faster.

Daily Users: For 2021 all daily users (walk-ins) must pay a fee of \$10 per person for age 3 and up.

Swim Lessons: Swim lessons will be limited for summer 2021. Water aerobics will not be offered. All swim lessons will be between the hours indicated on the pool schedule and class sizes will be smaller. Please refer to the swim lesson registration form.

Snack Bar: We are sorry to announce that at pool opening there will be no snack bar except water. Our priority is to focus on getting the pool open, running safely, and to get everyone signed in and swimming. If we find that all is running well, we will try and add the snack bar back later in the summer.
